Letter of Recommendation

Please compose a letter about the student you are recommending to the Zeta Chapter of Phi Gamma Delta. In order to understand the relationship between you and the potential brother, please include how long and in what capacity you have known the student, why you think they would be a good member of Phi Gamma Delta, what their overall strengths are, activities they have participated in that translate well to our chapter, and what sets them apart from other potential brothers.

We look forward to hearing your thoughts.
